

ACKNOWLEDGMENT AND ASSUMPTION OF RISKS & RELEASE AND INDEMNITY AGREEMENT

2019 Velothon Sunshine Coast 19-21 July 2019 - for adult participants

INTRODUCTION

Please read this entire Acknowledgment and Assumption of Risks & Release and Indemnity Agreement (hereafter "Form") carefully before signing. The adult participant (those 18 yrs. of age or older), or the participant's legal guardian (for the participant and on his/her behalf), if applicable, must sign this Form. In consideration of the services of USM Events Pty Ltd (hereafter "USM") in allowing me to participate in this scheduled USM competitive Event (hereafter "Event") and other activities, I **acknowledge and agree as follows:**

ACKNOWLEDGMENT AND ASSUMPTION OF RISKS

This USM competitive Event and other activities take place indoors or outdoors and can include but not be limited to: warm-up exercises; competitive cycling, both in practice and in the Event; demo-ing (trying out) gear; participation in clinics, training, demonstrations or other games and activities, attendance at any activities, use of any equipment, facilities or premises and traveling in planes, vans, buses or other vehicles to and from activities (this Event and other activities collectively referred to in this Form as "activities"). Activities may be scheduled or unscheduled, mandatory or optional, structured or unstructured and include free time. I **acknowledge that the inherent and other risks, hazards and dangers (collectively referred to in this Form as "risks") of these activities can cause injury, damage, death or other loss to participant or others. The following describes some, but not all of the inherent risks, as applicable to participant's activities:**

Risks in any competitive or athletic activity. Training for, practicing or competing in cycling other events and other conditioning involves frequent and repetitive use of the arms and legs, extreme fitness and endurance, and pushing the limits of the participant's speed and abilities.

Risks present in an outdoor environment. Participants may be subject to: high altitude or mountainous terrain; severe storms or bad weather such as lightning, strong winds, rain, hail, snow and ice; road and other terrain hazards; extremely hot or cold weather; stinging, venomous and/or disease carrying animals (including marine life) or insects and other natural or man-made hazards. Hazards (both on land and above and below water level) may not be marked or visible and weather is always unpredictable.

Risks involved in decision making and conduct. These risks include the risk that a USM staff member, representative, volunteer, contractor or co-participant may misjudge a participant's capabilities, health or physical condition, misjudge some aspect of instruction, medical treatment, weather, terrain, water level, or route location, or, that one of those persons may not warn participant (and/or participant's legal guardian) about one or more of the inherent risks of these activities.

Cycling risks. These risks include the risk of losing control and falling from the bike, colliding with objects or people (including co-participants or spectators) on land or falling down or encountering other water/road/trail hazards; or being submerged underwater, hitting bottom or drowning.

Personal health and participation risks. The risk that a participant's mental, physical or emotional condition (including any use or abuse of alcohol or prescription or non-prescription drugs), whether disclosed or undisclosed, known or unknown, combined with participation in these activities could result in injury, damage, death or other loss. Although USM may review participant's medical information, submitted in the registration process, USM cannot anticipate or eliminate risks or complications posed by a participant's mental, physical (including fitness level) or emotional condition.

Risks connected with location. Activity location may cause or contribute to delays or difficulties in communication, transportation, evacuation or medical care.

Risks associated with premises. Ruts, holes, water sources, rocks, uneven ground or other conditions may exist in and around the activities.

Equipment risks. The risk that equipment used in activities may be misused, or may break, fail or malfunction. Participant (and/or the participant's legal guardian) assumes full responsibility for choosing appropriate equipment and for the fit and condition of the equipment. USM requires use of helmets for biking activities. Helmets or other safety gear may prevent or lessen injuries in some instances; however, use of safety gear is not a guarantee of safety, and injury can occur even with the use of this gear.

Supervision and activities risks. I understand that neither USM nor its staff, representatives, volunteers, contractors or anyone associated with them will be supervising participant during the activities or at any time. Adult participant agrees he/she is solely responsible for his/her own well-being at all times; or, if applicable, a participant's legal guardian agrees to take sole responsibility for participant's supervision before, during and after the Event and other activities, including during free time and at all other times.

Risks regarding conduct. The potential that participant, co-participant/s and/or third party/s may act in a negligent or intentional manner.

Risk regarding criminal/terrorist activity. The potential that third party/s may commit criminal acts or acts of terrorism.

These and other risks may result in participants: falling partway or falling to the ground; being struck; colliding with objects or people; experiencing bicycle or vehicle collision or rollover; reacting to high altitudes, weather conditions or increased exertion; becoming lost or disoriented; suffering gastro-intestinal complications or allergic reactions or experiencing other problems. These and other circumstances may cause heat or cold related illnesses or conditions (including hypothermia, cold water immersion, frostbite, hyperthermia, or heat exhaustion/stroke); dehydration; hyponatremia; drowning; high altitude sickness; heart or lung complications; broken bones; paralysis or other permanent disability; mental or emotional trauma; concussions; sunburn or other burns or other injury, damage, death or loss -- before, during or even after the participant participates in the Event or other activities.

I understand and agree:

I acknowledge that USM does not supervise or control these independent contractors and is not legally liable or responsible for their conduct. In addition, activities take place on premises or at facilities not owned or controlled by USM, and USM does not oversee or take responsibility for any aspect or condition of these independent facilities or premises;

I acknowledge that I am able to opt-out of these services at any time;
- I may receive a race timing chip and band, which will remain property of USM. A recorded time slot is not guaranteed, and the timing chip and band must be returned on the date of the Event or I will be subject to a fee of \$150, payable to USM within 14 days after the Event.
- By signing this form, you agree that the release and waiver of liability of USM in relation to recreational services (as that term is defined in the Competition and Consumer Act 2010 (Cth) and the Australian Consumer Law) or dangerous recreational activity (as that term is defined in the Civil Liability Act 2002 (NSW), Civil Liability Act 2003 (Qld) and the Civil Liability Act 2002 (WA)) for any: death; or physical or mental injury of an individual (including the aggravation, acceleration or occurrence of such an injury of the individual); or the contraction, aggravation or acceleration of a disease of an individual; or the coming into existence, the aggravation, acceleration or recurrence of any other condition, circumstance, occurrence, activity, form of behavior, course of conduct or state of affairs in relation to an individual that is or may be harmful or disadvantageous to the individual or community or that may result in harm or disadvantage to the individual or community, other than that which was caused by reckless conduct.
- the information provided in this Form is not exhaustive, other unknown or unanticipated activities, inherent or other risks and outcomes may exist, and USM cannot assure my safety or eliminate any of the risks. USM representatives are available should I have further questions about the activities or the associated risks;
- **I am voluntarily participating with knowledge of the risks. Therefore, I assume and accept full responsibility for myself, for the inherent and other risks (both known and unknown) of the activities, and for any injury, damage, death or other loss I may suffer, resulting from those risks, including the risk of my, a co-participant's, and/or a third party's negligence or intentional or other misconduct, or any of the Released Parties' negligence.**
